In this book, Tom de Wal addresses the subject of speaking in tongues, answering the many questions that people have on this subject:

- What is speaking in tongues?
- How does it work?
- Is it for everyone?
- How do you receive the ability to speak in tongues?

Then Tom gives 50 reasons why we should speak in tongues. These reasons will give you more revelation and a better view of the heavenly language that God has given every believer. Jan Sjoerd Pasterkamp fills out the teaching with brilliant stories and testimonies from his rich experience of life.
