Spiritual growth is a lifelong process of conforming to Christ. The Espresso Brown Faux Leather Spiritual Growth Bible is designed to walk alongside you on this journey to maturity and to become more like your Savior.

The front and back covers of the brown faux leather Bible are colored a light espresso brown. The spine features gold-foiled faux spine ribs as well as a gold-foiled title—similar to the gold-foiled title on the front cover.

The Spiritual Growth Bible

Luxury features of this Bible include a presentation page, gilt-edged pages, ribbon markers, a thumb index, and an index of authors and articles in the back. In addition, the presentation page in the front can be personalized and states the premise for the design of this beautiful Bible.

Grow in the grace and knowledge of our LORD and Savior Jesus Christ. All glory to Him, both now and forever! Amen

2 Peter 3:18

An introduction by managing editor Martin Manser and associate editor Mike Beaumont leads into the features of the Bible and an introduction to the New Living Translation. In addition to the NLT text, you will find informative sidebar articles, full-page articles on key aspects of spiritual growth and fundamental theological truths, book introductions, character profiles of men and women of the Bible, topical ties to connect articles with relevant Scripture, and cross-references. There is also a topical index at the back of the Bible and an index of articles and authors for easy reference.

The NLT is respected for its clear and faithful rendering of the message based on the original Scripture text. In addition, its contemporary language makes it a great Bible for personal Bible study or group

Bible study with teenagers.

The Espresso Brown Faux Leather Spiritual Growth Bible has a well-thought-through approach to guiding your son to spiritual maturity and encouraging your husband to stay the course of his spiritual journey. The Espresso Brown Spiritual Growth Bible will be a welcome Christmas gift for all the men in your life.
