The Burgundy Hardcover King James Version Pew Bible features the Classic 1769 King James Version text and will become a trusted Bible in your church pew. It is an excellent Bible for church services, adult community Bible studies, Sunday school classrooms, and even your bedside table!

The durable burgundy hardcover Bible displays a gold-foiled title and version reference on the front cover and spine.

HOLY BIBLE
KING JAMES VERSION

The Smyth-sewn binding adds durability to an already sturdy cover and allows the Bible to open flat without damaging the spine. A burgundy satin ribbon marker is included to mark your page, and a one-year Bible reading plan is included to keep you on track when you use this as a personal Bible.

The 8-point type typeface is considered a standard point type found in most standard Bibles. Reader-friendly subheadings, a double-column format, the words of Christ printed in red ink, a helpful Scripture verse finder by topic, and a one-year Bible reading plan are additional features that make this Bible equally suitable for use in a church pew or your own home.

The Burgundy Hardcover King James Version Pew Bible, with its durable cover, clear font, and portable size, is designed to look good even after years of use!
