Share the tiny Green My Little Bible as part of a care package for a soldier and remind them of the truths of God's Word in a super-compact format that can fit into the tiniest of spaces. Nuggets of truth are presented in the KJV text and enhanced with small line-drawn illustrations.

The dark green cover of the little booklet features a gold-foiled title and cross.

My Little Bible

The small booklet that measures roughly 2" by 2" contains key verses from every book of the Bible. It's definitely not the whole Bible, but rather the Bible in a nutshell. Key verses from the Old and New Testaments are followed by a thematic Scripture finder index that helps you find verses about specific topics. The book ends with a section explaining who you are in Christ.

Let your loved ones who serve in the military carry God's Word with them for comfort and encouragement when you add the Green My Little Bible to a care package or greeting card. The tiny booklet packs a huge spiritual punch. Or, add a Green My Little Bible to your students' letters to thank first responders and military veterans for their service.
