Designed especially for your little one to cherish later in life, the Pink Faux Leather NLT New Testament Keepsake Bible for Girls is designed as a gift to commemorate her birth but a gift that she can open when she is older. It is a wonderful way to introduce your daughter to the timeless stories and teachings of the Bible.

The pink faux leather keepsake Bible is adorned with a pattern of heat-debossed hearts that are scattered across its covers. The sentiment is presented within a heat-debossed frame on the front.

Holy Bible

The Bible features the entire New Testament and the book of Psalms in the New Living Translation text, which is easy to understand and perfect for introducing children to the stories of the Bible. The text is arranged in a double-column format, and there is a pink satin ribbon marker to save your place.

A presentation page at the front of the Bible can be personalized when you give this Bible as a gift. There are also five pages to document information about the baby's birth, christening, or baptism, and a family tree to note relatives on both sides. A special prayer to encourage parents is also included.

Add the Pink Faux Leather NLT New Testament Keepsake Bible for Girls to your baby shower gift to celebrate your granddaughter's arrival, or give it as a baptism or dedication gift for her to cherish when she's older.
