In the Find Hope Blue Faux Leather Devotional, you will discover that Hope is the fuel for our lives, even if we might feel it is fleeting or unreachable. Author Shaunti Feldhahn assures us in this devotional that God intends us to be filled with such hope that it presents as joy in our lives. Such hope does not depend on outcomes and doesn't waver when life takes an unexpected turn.

Gorgeous gold foil-outlined flowers adorn the covers of the blue faux leather devotional. The title is also presented in gold-foiled letters.

Find Hope

A Devotional Journey to Trust in God's Unfailing Love

Gilt-edged pages complement the devotional's gold-foiled title. Each interior page is beautifully decorated with full-color floral illustrations, and a ribbon marker is included to keep these pages looking like new instead of dogeared and creased.

This gift book contains 60 devotions, each carefully crafted to cultivate habits of hope. Each devotion offers Scripture verses, devotional passages, questions for contemplation, and journaling space for recording your thoughts. Full-color pages illustrated with inspirational quotes and Scripture add even more contemplative content to this devotional.

After graduating from Harvard University, Shaunti Feldhahn shifted her career from being a Wall Street analyst to a highly recognized social researcher, acclaimed author, and speaker. She co-authors groundbreaking books on relationships with her husband, Jeff. They are known for their insightful, research-driven content. These works, filled with revelatory moments, have sold over 3 million copies across 25 languages. Their influence extends from personal homes to counseling centers and corporate environments worldwide.
