Let the powerful visual reminder of Christ's sacrifice draw you deeper into God's Word with the Brown Crown of Thorns Giant Print Full-size King James Version Bible with Thumb Index. This Bible, with its piercing design, will help you study, reflect, and grow in your faith.

The rich chestnut brown faux leather cover features a bold heat-debossed crown of thorns design that sweeps across the front and back. On the spine, the title and version name are printed in gold foil and framed by simple gold-foiled faux ribs.

This Bible includes reinforced stitching, rounded corners, and a Smyth-sewn binding that allows it to lie flat when open. The elegantly gilt-edged pages offer extra protection from wear and moisture. Navigation is easy with black thumb indexing tabs and a coordinating brown satin ribbon marker.

The text is set in an easy-to-read 14-point font and arranged in a clear, double-column layout. Helpful features include a thematic Scripture verse finder, subheadings for better organization, and the words of Christ printed in red. A one-year Bible reading plan in the back provides daily guidance, while the presentation page in the front lets you add details to commemorate a special occasion.

This Bible uses the 1769 edition of the King James Version. This edition of the Bible is considered a trusted and accurate translation. It has been in print for over 400 years and is still highly regarded. The words and grammar may look slightly different because the language is older, but that's part of this translation's special appeal. Its poetic style and strong message help readers see the beauty and truth of God's Word in a timeless way.

The Brown Crown of Thorns Giant Print Full-size King James Version Bible with Thumb Index is part of the Amazing Grace Brown Crown of Thorns Collection, which also includes a deluxe KJV Gift Bible, a magnet, a genuine leather wallet, a faux leather bookmark, a metal keychain, a die-cut magnet set, a stainless steel travel tumbler, a classic journal, a cardstock bookmark with a tassel, a faux leather Bible cover, a daily devotional, a gift bag, a stainless steel water bottle, and a spiral notebook.
