The Dusty Pink Floral Faux Leather King James Version Gift Edition Bible, with its simple floral design, brings beauty and peace to every page of Scripture. With its soft pink hue and graceful floral design, this Bible's calming design invites reflection, while the text inside offers timeless encouragement for every step of faith.

The front cover of the woman's Bible is wrapped in smooth, dusty pink faux leather and adorned with a large, heat-debossed bouquet of wildflowers that blooms from corner to corner. The title and translation name are displayed in gold foil below the image.

Gold foil also highlights the title and translation name on the spine. Golden gilt-edged page edges lend a soft sheen to the exterior while protecting the paper within, and matching dusty pink topstitching reinforces the edges and adds a tailored finish. Inside, the Bible is thoughtfully laid out in a double-column format with a small but clear 8-point font. A lay-flat spine allows it to rest open on a table or desk for effortless reading and study. A presentation page at the front invites you to personalize your gift with a name, date, or blessing. There is also a full-year Bible reading plan to guide consistent study and a helpful Scripture verse finder organized by topic to look up verses by theme quickly.

This Bible features the King James Version, a trusted translation that's been guiding believers for centuries. Its wording may feel old-fashioned, but the beauty of its language and the depth of its message have made it a lasting favorite for over 400 years.

Whether you're celebrating a baptism, preparing gifts for your women's ministry, or simply offering a message of hope, the Dusty Pink Faux Leather King James Version Gift Edition Bible is a gift that blossoms with meaning - and one she'll reach for again and again.
