The Ten Minutes with God for Women Taupe Faux Leather Daily Devotional is the answer to building a consistent habit of daily quiet time for the overwhelmed, overworked, and overstressed woman. Small things done consistently over time equals great results. This motto is true for everything in life, including your relationship with God, so pause, take 10 minutes, and discover how much God longs to have a relationship with you.
The devotional's rich taupe faux leather cover has a distinctive minimalistic feel with its elegant and simple design.
Gold gilt edging along the book's page edges adds a shimmery detail to the design that is reinforced by the gold-toned satin ribbon marker. The edges of the devotional are topstitched to add durability.
The cover design is repeated on the book's interior, where it is applied to the title page and the presentation page. A short introduction by the author welcomes you to the transformational journey that will take place in only ten minutes a day. Interior pages are printed in two colors, and each page is decorated with a small filigree design. Daily readings include a Scripture verse, a devotional passage, three things to remember, and a prayer.

The Ten Minutes with God for Women Taupe Faux Leather Daily Devotional will deepen your relationship with God despite a hectic schedule in just ten minutes at a time. Wrap the Ten Minutes with God for Women Taupe Faux Leather Daily Devotional as a gift for

your Martha-friends to encourage quiet time with God or add it to the Christmas stockings of all your daughters and daughters-in-law to encourage them to carve out time for God.
