In the Quiet Time Moments for Women Daily Devotional, Catherine Martin invites busy women to step away from the demands of life and work to create space for precious moments with God.

A beautiful, feminine design with large floral patterns in vibrant, pastel shades of pink, peach, and green adorn the front cover of the devotional. In the center of the design, a peach-colored appliqued patch features the white printed title.

Quiet Time Moments for Women

A 366-Day Devotional

Peach-colored faux leather that matches the appliqued patch on the front covers the spine and wraps around to the back of the book. Peach-colored topstitching secures the devotional's seams, appliqued patch, and edges to ensure a quality product.

The feminine peachy palette of the exterior is brought into the two-color interior through a peach-colored ribbon marker and a beautiful presentation page decorated with soft peach watermarked floral designs. This page can be personalized by adding a name and a date. Gilt-edging on the page edges elevates the devotional to a worthy gift.

Through the daily devotions in the Quiet Time Moments for Women Daily Devotional, you will discover the transformative importance of quiet time. Filled with insights from the author's personal quiet time, the daily readings stem from the joy she has found in showing Christ. She longs to share this wisdom with other women, as she explains in the short introduction. Beautifully decorated pages introduce each month in the book.

The content is organized by calendar year and themes to help women form a lasting daily habit of spending time with God. These themes include Quiet, Journey, Faith, Love, Grace, Hope, Trust, Grow, Revive, Prayer, Ministry, and Jesus. Daily readings include Scripture, a devotional message, and end with a prayer.
