Do you want to know what the Bible really says about prosperity, riches, wealth, and blessing? Then this book is for you!

Many Christians have, unfortunately, often only heard warnings about the potential bad influence of prosperity and see words such as “riches” and “prosperity” as secular terms, that Christians have to stay far away from and yet the exact opposite is true! God’s Word says, “But remember the Lord your God, for it is He who gives you the ability to produce wealth...” and “and the Lord will grant you abundant prosperity” (Deuteronomy 8:18, 28:11, NIV). God’s Word contains the words “riches”, “wealth”, and “prosperity” in a positive light hundreds of times, as God’s promise to His children:

- More than 130 passages in the Bible say that God promises prosperity to His children.
- More than 500 Bible passages speak about prosperity, riches, wealth and blessing and so on in a positive light.

What’s more, God’s Word is full of instructions and laws for how God’s people can live in wealth and prosperity.

When this truth takes root in your heart, it will help you fully walk in the plan that God has for you in this area.
