When Jesus walked the earth, many people tried to touch Him to receive the healing power He carried in Him. All who touched Him were healed, no matter what they were suffering from (Mark 6:56). In this book, Tom describes how we can still touch Jesus today. Jesus hasn't changed and He still wants to heal everyone. Tom gives seven steps in this book that we need to follow in order to touch Jesus. Many people skip a number of these important steps and so they don't receive their healing. They start with Step 7, forgetting about the previous steps. In this book, Tom lays out the steps we need to take to come to Jesus. This book will help you receive your healing at home or wherever you are.
