“All things are possible for the one who has faith.” (Mark 9:23, CEB). Just this statement that Jesus made should plant a tremendous hunger and desire in us to learn everything we can learn about faith. What’s more, faith is the most important thing for born-again Christians. Without faith we would never have been saved. It’s impossible to please God without faith (Hebrews 11:6). As Christians we are all supposed to live by faith and not by what our natural senses tell us. Faith isn’t just the most important thing God has given us, it’s also the most powerful. Faith moves mountains (Mark 11:23), receives what God has promised us (Hebrews 6:12), is a shield against the devil (Ephesians 6:16), removes all human impossibilities from our lives (Mark 9:23) and is the key to us getting what we pray for (Mark 11:24). In this book set, Tom walks you through the subject of faith, based on the five main questions about faith, i.e.,

- What does faith do?
- Why does God require faith?
- What is Biblical faith?
- How do you get faith?
- How do you use your faith?

As Tom answers these questions, he covers the essential building blocks of faith, teaching us what biblical faith that always works really is. Tom covers the ten things that are often confused with faith and how to deal with doubt and unbelief. Do you want to see the impossible become possible and see everything that God has promised come to pass in your life? Read this book set and your life will change! This set comprises two teaching books and a workbook.
